## Projects

### KarimStore
My personal CRUD app
https://github.com/SSniperghosTT/KarimStore

**Aug 2022 — Dec 2022**

I created my First CRUD app using Asp.net with MVC 5, the goal was to make an online shopping website for a small super market.

the GitHub link can only show you the code; If you would like to view the application; I have a video showcasing the app.

https://www.youtube.com/watch?v=sLnUgg14i-A

### Early Front- End Assignments

**1st June 2023 — 25th June 2023**
